The controller action in question is: @arr = [] def create @obj = Object.new @arr MaKt Industries' Lifetime Warranty MaKt Industries is dedicated to the support and service of our products. If a piece should break down within three years of purchase, we will cover the cost to repair or replace, or in certain cases, we will pay for the entire cost. With a warranty like this, our customers will have a peace of mind knowing their maKt Industries rods will last a lifetime. We offer a lifetime warranty against manufacturing defects. If there is a failure of a rod that results in loss of the entire length of the rod, we will replace the entire length, or we will pay for the entire length of the rod.
