By signing up, you certify that you are female and accept the Terms of Service and have read the Privacy Policy. Most OBGYNs are OK but... I was talking to my pediatrician about how I had just found out that I was having to deliver via C-section because I was. 9 months pregnant with my fourth. This pediatrician that I really like advised me that if I was having issues with my first child (and I was and so was he, he was diagnosed with CP) not that he was gonna be the reason for the c section (my issue was amnio and the lump on my cervix, I have had 3 of the same cysts on cervix before and nothing happens so I was told at the big granny doctor that I need to go with my gut and stop trying to have a vaginal birth) I just need to relax and stop trying. But
