If so, you don't need to add ANYTHING to your iPod or iPhone. Your music app should already have the app for Sun TV. Look for a red SUN TV logo on your iPod and iPhone apps. I'm assuming that you're trying to get this information on your desktop. If that's correct you'll need to log in to your account at Sun Sports (so you can add your remote controls to your account. Then you'll just need to configure your desktop to use your login and add the remote controls. What I suggest is to have your desktop monitor follow you as you move around the room. You'll be listening
