It is the direct sequel to Disgaea 3: Absence of Detention. The story of the game takes place in a parallel world where the events of Disgaea 3: Absence of Detention occurred and Prima Tali, a witch who appeared in the previous games, was brought to life and imprisoned in the Overlord's soul, causing his madness. In the overworld of the Overlord, the people and monsters of this world seek to liberate the witch and gain her help, while the Overlord's servants, under the rule of his son, continue their efforts to maintain his empire and heal the wounds inflicted by the recent tragedies.
