The prognostic significance of deletions of chromosome 11q (del(11q)) in acute lymphoblastic leukemia (ALL) is not well established. We analyzed del(11q) using conventional cytogenetics, G-banded analysis and fluorescent in situ hybridization (FISH) in 117 consecutive ALL cases to test the association of various molecular features, including sex, with the presence of del(11q) in ALL. Del(11q) was present in 9 of 117 cases (7.7%) and was detected in 3 of 31 (9.7%) female and 6 of 86 (7.0%) male patients. A karyotype analysis showed a del(11q) in 5 of 9 cases (55.6%) and a t(11;14) in 4 of 9 cases (44.4%).

Stay current on your favorite topics About this blog: Search results: With a forward leaning attitude and a healthy dose of humor, Michael David Stone (a.k.a. "MDS") works to help others see the humor in everyday situations. He's been featured on "Right This Minute" and "CBS This Morning," and he has a regular weekly web comic on Point After! "I think it's always a concern to see more secure pay," Bubeck told FOX Business Network. "In my specific case, I think it's also a concern about the U.S. dollar and concerns about inflation – if things are keeping pace with the dollar." But Bubeck said Canada's favorable exchange rate is a major factor in the country's attractiveness and that "regardless of how you price things, companies are going to be more likely to locate and expand operations in Canada than in the United States." Having worked in the finance, energy, mining and information technology sectors in the U.S., Bubeck said he has witnessed both positive and negative impacts from the new tax code. "In general, there's been an improvement in deal flow in the United States and an improvement in the business environment. Also, I think it's been very helpful in attracting capital." But he said that doesn't mean the U.S. is off the hook. "You could argue that if you just look at the impact on U.S. companies, there's still a little bit of a negative impact because of the complexity of the new tax code," he said. "And you can't look at one side of it without looking at the other because the tax changes had a significant impact on people in industries that had been the most affected in the past," said Bubeck. Bubeck said the new tax code is providing a clean slate for those in the information technology industry, which has not been a beneficiary of the tax code change for many 3e33713323
