This is a continuation of the classic role-playing video game, the game takes the player into a fantasy world full of monsters, heroes, swords and sorcery. You have to become a charismatic and intelligent commander from the alliance or deal with chaos, becoming the king of the world of your choice. In the game you have to fight with different opponents, improve weapons, learn new mechanics and skills, develop cities, build new cities, earn coins, spend them on development, and then your empire will become invincible! The popular German studio Double Fine Games has released a new demo version of the multiplayer action game for PC - Rivals of War. This is a brand new project in the popular RTS series. It is dedicated to the American Civil War between northerners and southerners, which means that this is a classic military shooter. At the beginning of the game, when military bases are being built in Alaska, and the northerners hold control of the state, you have to choose a side. Further, after choosing a faction, the player enters the battlefield and fights with enemies in different parts of the map. Multiplayer first-person action RPG. This is an excellent graphics, a variety of different classes, a lot of interesting weapons, and, most importantly, a wide selection of game worlds, from the Middle Ages to the present. The game was created on the Source engine, and is an MMORPG with RPG elements, which is famous for its excellent graphics and thoughtful battle scenes. Rise of the Tomb Raider is an adventure game based on the movie of the same name. Rise takes place 3

years after the release of Rise as a Legend. Shipwrecked survivor, the beautiful siren Erika Raut (Ashley Sims) continues her journey across the seas. Once she was on the verge of extinction after the attack of deadly pirates from the underwater kingdom of the Night, but survived thanks to a miracle, and now she is ready to help everyone who needs her help. Together with the siren Erika, a group of brave heroes comes to the shores of ancient Egypt and off the coast of India, thereby entering into a decisive battle with the opposing empire of Ravana... A new role-playing game about the era of man in the world of the future. Many secret technologies, including powerful computers and perfect knowledge of the world, have been lost. People live in a futuristic capital, while the planet is increasingly immersed in the abyss of war. The king still reigns in his kingdom although
